

investments and, of course, we still have the added advantage that the money will be involved within the State of Nebraska rather than outside of the state. So I would also urge the adoption of the amendment.

PRESIDENT: Record your vote. Have you voted? Senator Murphy, for what purpose do you arise?

SENATOR MURPHY: I would ask Senator Schmit if he has actually inserted that on that line 12. Senator, do we have the right page and line on the white copy?

SENATOR SCHMIT: I don't know, Senator Murphy. It is a good question there.

SENATOR MURPHY: I think it fits the green copy, not the white, Senator. If we are adopting the motion, I think we ought to correct the line. I think it is on page 4 but it is further down.

SENATOR MILLS: So, Mr. Clerk, does that need to have a clarifying amendment?

SENATOR SCHMIT: No, it does not need any more amendments. If you will check on page 4 of the bill or your green copy, Senator Mills, in section 5 after "deposits", you begin the new language.

SENATOR MILLS: All right.

PRESIDENT: Are you ready for the vote? Any closing, Senator
